

Kenya is working closely with other agencies in the region to ensure that the terror network is broken completely and those behind the terror plot are apprehended. The Police take this opportunity to caution those giving refuge to these criminals and urge them to surrender them to the nearest Police Station, failure to which they will be held culpable as accomplices. The Police also call upon the members of the public to forward any information that will lead to their arrest through our Toll Free National Police Service Emergency Numbers 999,112 and 911.

We thank the members of the public for the continued cooperation with the security agencies in ensuring the safety and security of our Motherland.

Below are the photographs of terror group members, both in Police custody and on the run.
